ABOUT US

From Passion to Purpose

Maharlika Furniture and Home Furnishing was founded out of a deep passion for furniture design and craftsmanship. Its owner, Sir Roberto O. Montances, has always been fascinated by how furniture is built, how it transforms spaces, and how it turns a house into a home. From the beginning, his vision was clear—to create pieces that are not only beautiful and durable but also accessible to the everyday Filipino.

Today, Maharlika Furniture has grown beyond its humble beginnings. The company now proudly serves homes, businesses, and spaces across Luzon and Visayas.

Whether offering ready-made items or custom-built designs, Maharlika remains committed to the same mission that started it all: to *deliver high-quality, affordable furniture that reflects Filipino pride and craftsmanship.*
